## STAND CONSTRUCTION

Essentially, there are no restrictions with regard to stand construction/stand design. Naturally, technical guidelines must be observed and compliance with minimum social distancing ensured. Please refer to the relevant information in Point 6 of the Messe Friedrichshafen's Protection and Hygiene Concept.

## PLEASE BRING YOUR OWN MOUTH-AND-NOSE COVER.

Masks must be worn in the exhibition halls. Only FFP2 masks and medical surgical masks are allowed. These must be brought by yourself.

### However, the following exceptions apply:

- To persons for whom wearing a medical mask is not possible for medical reasons or cannot be reasonably required (doctor's certificate required). In such cases a large coronavirus protection visor (chin visor not sufficient) must be worn.
  - When using catering facilities or during eating and drinking

The provisions that currently apply are set out in Point 1 of the Messe Friedrichshafen's Protection and Hygiene Concept.

## HYGIENE

Disinfectant dispensers are recommended at each stand. Surfaces must be cleaned after each customer visit.

You are furthermore requested to dispense with the customary greeting rituals, and to observe sneezing and coughing etiquette. You will find an adequate number of disinfectant dispensers throughout the exhibition center, most notably at the entrances, hall intersections and the WC areas.

There will be shorter disinfection and cleaning intervals with regard to frequently touched surfaces such as doorknobs, handles, and surfaces in sanitary areas.

## MINIMUM SOCIAL DISTANCING

All exhibitors and visitors are requested to observe minimum social distancing of 1.5 meters. Where necessary, please facilitate this measure with floor markings.

5

## NO CORONA TESTING POSSIBILITIES ON SITE

Exhibitors are requested to get tested before they come to the exhibition grounds. There will be no corona testing possibilities for exhibitors.

**You have the option to be tested at the following contact points:**

<https://bodenseekreis.de/soziales-gesundheit/gesundheitsinfektionsschutz/infektionskrankheiten/corona-virus/corona-tests/>

or

<https://schnelltestzentrumfriedrichshafen.de/>

## PUBLIC TRANSPORT

As usual, the free Messe Express (MX line) will operate between the port and city train station and the exhibition center.

Masks must be worn on public transport.

## RESTAURANTS & CATERING

Messe Friedrichshafen's restaurant and catering partners have adapted their service concepts to the current situation and will be guided by the Federal State of Baden-Württemberg's applicable Coronavirus.

6

## STAND PARTIES / RECEPTIONS

are currently not allowed, as the minimum distance cannot be controlled. If there are any changes we will get in touch.

7

8

## FULL REGISTRATION

All individuals at the exhibition center for VERTICAL PRO (exhibitor staff, trade visitors, service providers and other employees) must register/be accredited for each day of the event using their personal details. For you as an exhibitor, this means that you and all of your staff must register in advance via the Online Service Center (OSC). You will receive further info in due time.

9

10

## VENTILATION

Entrance areas, exhibition halls, conference rooms and dining areas will be sufficiently supplied with fresh air (outdoor air quality). In addition, the exhibition halls have a ceiling height of 22.5 meters. This additionally ensures sufficient air circulation.
